Instructions: there are two purposes of sermon notes. First, to be sure our Confirmation students are regularly attending worship. More importantly, they are to help students think critically about the message and the worship experience. Take notes on the back of this page and use them to answer the questions above. After completing the form, please return in the pocket in the church entryway.

1. Give two or three main thoughts or ideas from the sermon, or list key points from your perspective.
2. What story or stories will you remember from this sermon?
3. Based on this sermon, what does God want the listeners to see or to change in their lives?
4. How were you encouraged, strengthened, challenged, or changed by what you heard?
5. Tell us something that happened to you this week...

"I have
hidden 
in my heart
that I might
not sin
against you."

Psalm 119:11
